DOG Rules

Dogs need to:

- be up to date on their vaccinations, **or** no longer need them.
- If your dog frequents dog parks or goes hiking with you, please have your dog tested for Giardia prior to his/her stay with us.
- have regular flea treatments.
- be ok living with multiple dogs.
- be ok being left for up to 6 hours (2 weekdays only); with a potty break midway through the six hours.
- not bark when left in the house if I am out.
- wear a collar and name tag.

Please bring your dog's food, as switching to different food can be hard on their digestive system. No need to bring a bowl.

You are welcome to bring a dog bed, blanket, toys, whatever might make your dog feel at home. Just a warning, toys/bed/blanket may not return in the same condition they came in because everyone plays/sleeps with them.
