

## **Directions to Hands to Paws Animal Massage**

These are directions to the alley entrance to my house. Please use the alley entrance. I don't use the front door as it will start my dogs barking. Thanks.

Take Hwy 5 to the West Seattle Bridge, follow the Bridge west. Once you come off the bridge you are on Fauntleroy. Follow Fauntleroy up to the Alaska intersection (gas stations on NE and SW corners). It will be the second or third light. It is a major intersection. Turn right onto Alaska. Follow Alaska west. At the second light you will turn left onto California. Get in the right lane. You will turn right at the first light you come to. It is a sloping right onto Erskin. (A hard right will take you toward the True Value). Follow Erskin down the hill. At the bottom of the hill you will be on 48<sup>th</sup> Avenue. Follow 48<sup>th</sup> to Findley (approximately your second right). Take a right on Findley, then a right at the first alley.

My house is the 3<sup>rd</sup> on the left side (west). The house and garage are green with purple trim and the basketball backboard has painted flowers on it. The house numbers, 5446, are on the garage. Park in front of the fence on either side of the garage I will be able to see that you are here. There is a dog bell to the left of the garage door, ring it. If the garage door is open you can come in. I'll be looking for you.
